THE NEXT DAY

EVERYONE TO THE  
BRIDGE, PLEASE.

I RECENTLY RECEIVED  
WORD FROM H.Q.

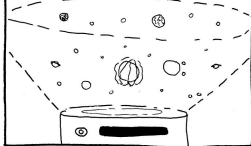

IF WE DON'T DISCOVER  
ANYTHING SIGNIFICANT IN THE NEXT  
TWO WEEKS, THEY'RE SENDING US HOME  
AND DISSOLVING THE SPACE  
EXPLORATION FORCE.

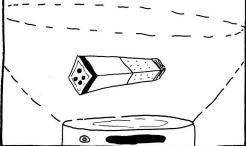

WE **CANNOT** ALLOW  
THAT TO HAPPEN.

WE WILL NOT BE THE  
END OF THE S.E.F.

WE JUMP TO THE OMEGA SYSTEM IMMEDIATELY.

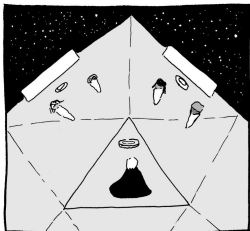

MESA, OUR LAST SHIP TO TRAVEL THERE, NEVER MADE A FINAL TRANSMISSION.

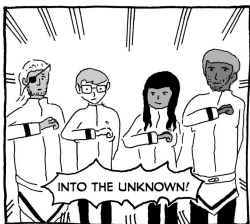

THAT WAS TEN YEARS AGO.

A SEARCH AND RESCUE WAS DEEMED TOO DANGEROUS.

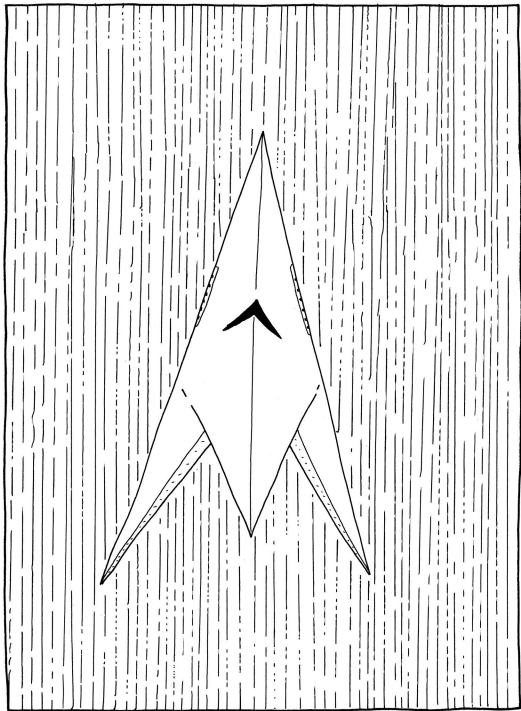

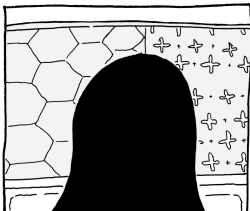

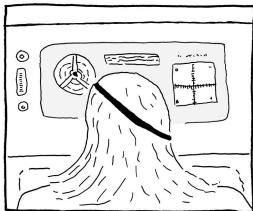

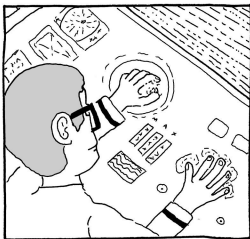

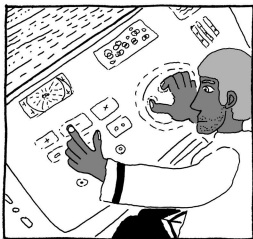

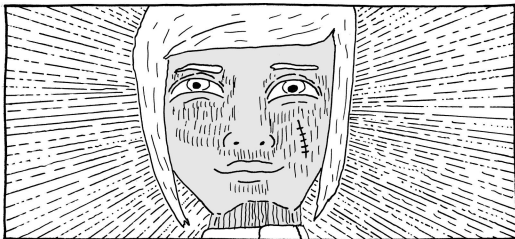

INTO THE UNKNOWN.

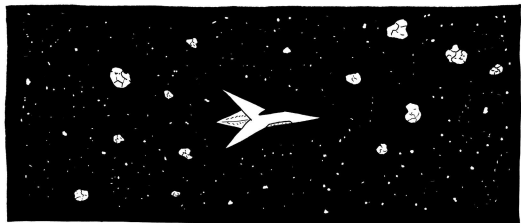

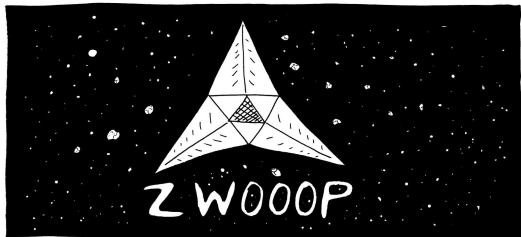

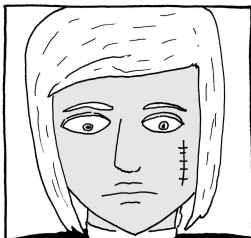

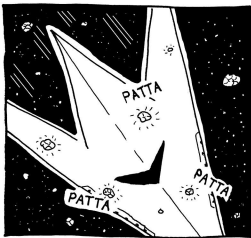

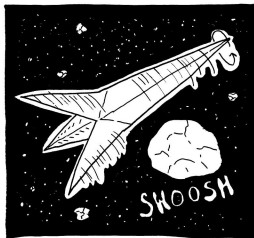

INTO THE UNKNOWN!

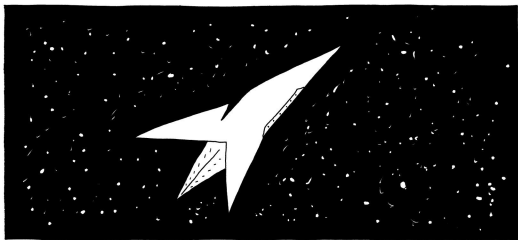

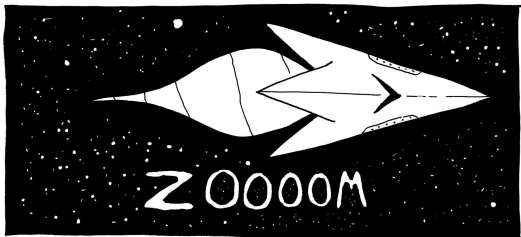

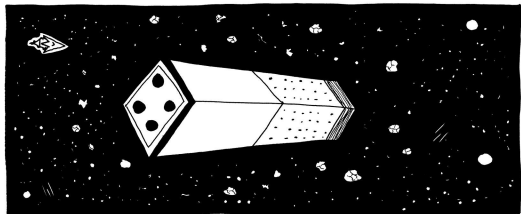

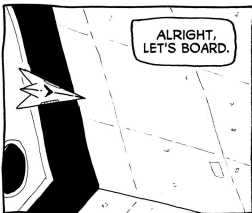

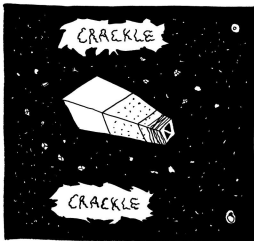

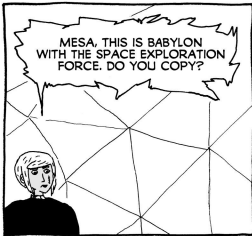

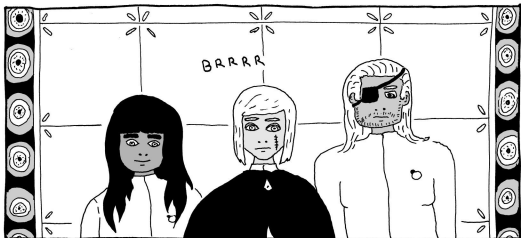

MIA, TOMAS, PREPARE  
FOR BOARDING THE  
MESA. WHO KNOWS  
WHAT WE'LL FIND.

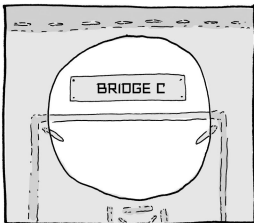

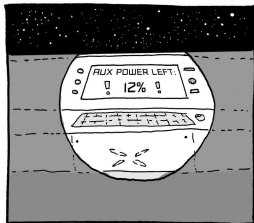

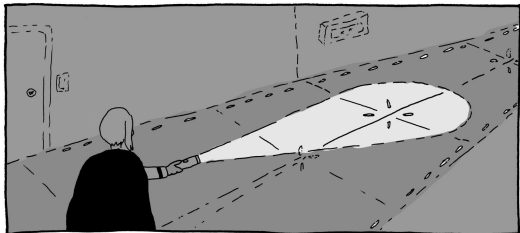

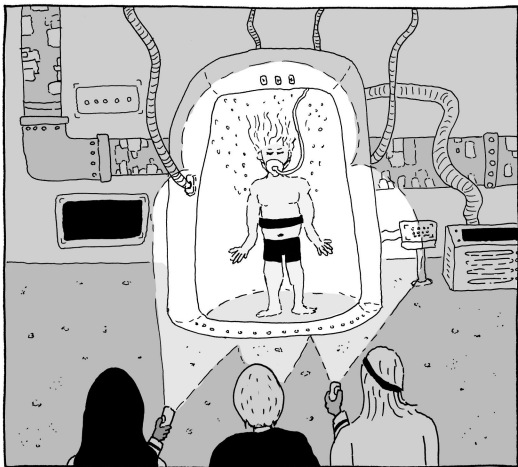

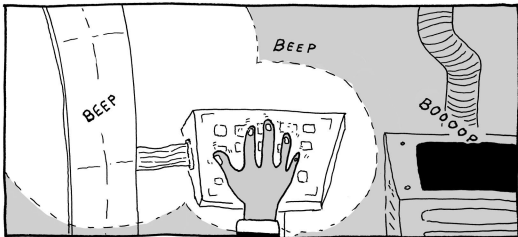

SEEMS LIKE THE SHIP IS  
RUNNING ON AUXILIARY POWER.

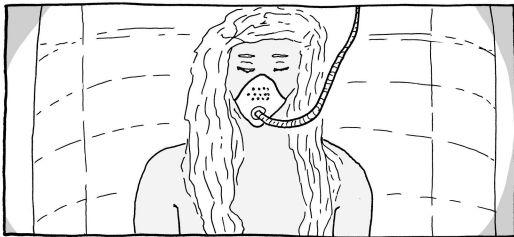

WE'LL NEED TO SPLIT UP TO  
COVER SUCH A LARGE SHIP.

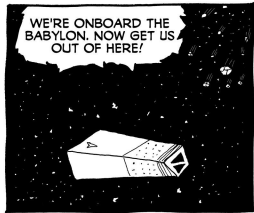

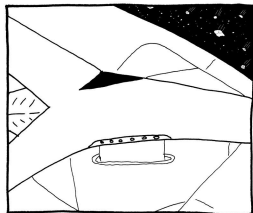

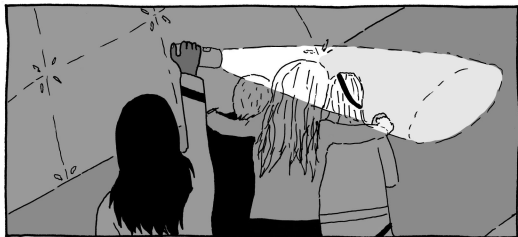

KEEP YOUR GUARD UP.

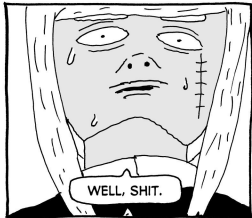

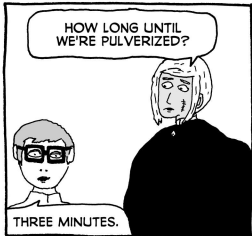

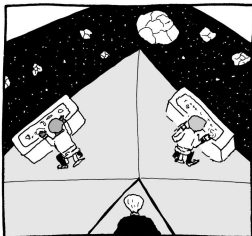

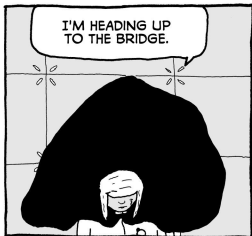

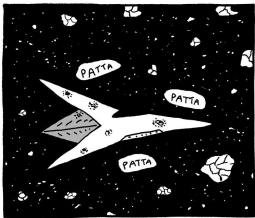

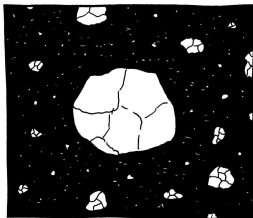

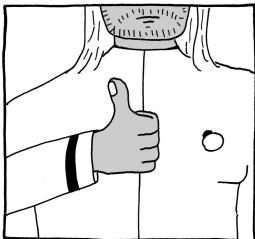

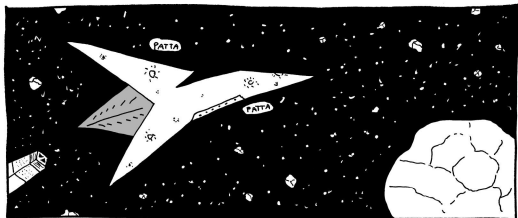

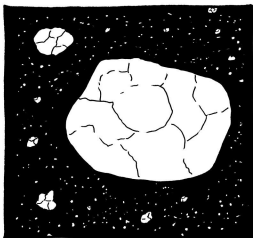

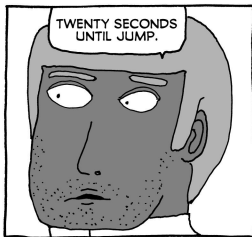

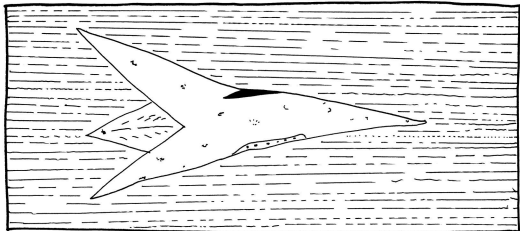

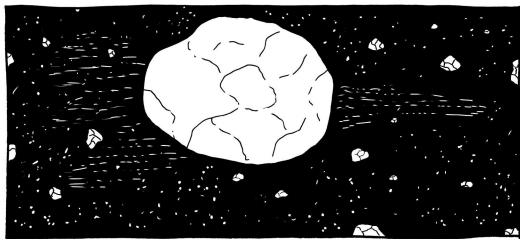

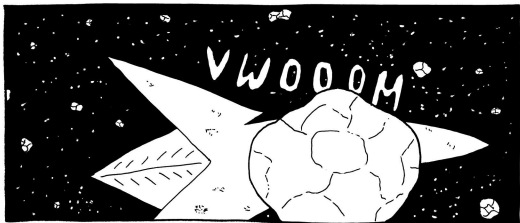

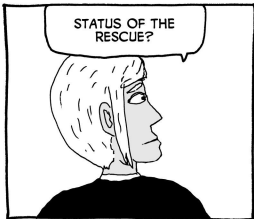

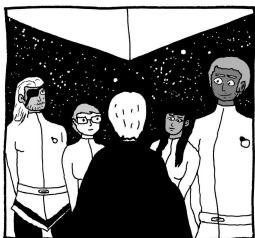

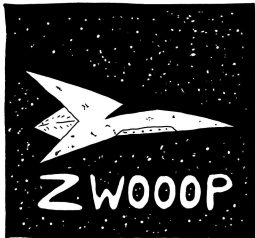

AXEL, HOW LONG WILL IT TAKE TO GET TO H.Q.?

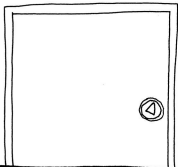

WELL, WE'VE GOT TO RECHARGE. PROBABLY FORTY-EIGHT HOURS.

GOOD WORK EVERYONE. LET'S REST UP WHILE WE HEAD TO H.Q.

LATER THAT DAY

R 003

H.Q., THIS IS CAPTAIN HARLOW WITH THE S.E.F. BABYLON. WE MADE QUITE THE DISCOVERY.

WE MADE CONTACT WITH THE LOST SHIP MESA. NO CREW WERE ONBOARD.

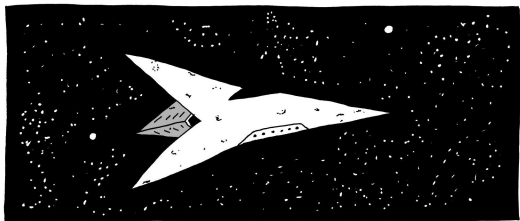

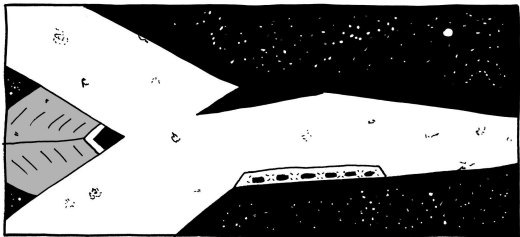

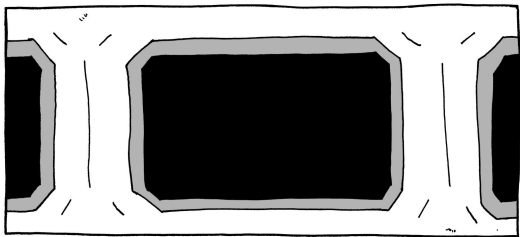

BUT WE DID FIND AN UNIDENTIFIED HUMANOID IN A CRYO CHAMBER.

WE'LL BE AT H.Q. IN LESS THAN FORTY-FOUR HOURS.

END MESSAGE RELAY.
